

## **QUESTION 25**

### **POLICE AND FIRE PROTECTION**

**EAST CENTRAL FLORIDA REGIONAL PLANNING COUNCIL (LETTER DATED JANUARY 17, 2008)**

- 31. Please include a copy of the response letter from Edgewater and New Smyrna Beach's Fire and Rescue departments.**

The applicant never received a formal letter from New Smyrna Beach regarding fire and rescue services to the site, although through mutual aid agreements with Volusia County and Edgewater, we have been assured by the City of New Smyrna Beach they would respond to an emergency in Edgewater if asked.

**CITY OF NEW SMYRNA BEACH (LETTER DATED JANUARY 17, 2008)**

- Comment 26: Please provide New Smyrna Beach Fire Chief Tom Hawver's response to the November 1, 2007, letter regarding Restoration project's impact on response times, fire station locations and capabilities, and additional personnel and equipment needs due to the project.**

As a result of the ADA responses from the agencies, notably the City of New Smyrna Beach, the Applicant has chosen to delete the 1,515± acres located in the City of New Smyrna Beach from the Restoration DRI, and no response will be provided.

**VOLUSIA COUNTY GROWTH AND RESOURCE MANAGEMENT (LETTER DATED JANUARY 15, 2008)**

**Question 25 A. and B., Police and Fire, p. 25-1: The response to this question should be considered insufficient until the information for New Smyrna Beach is provided to adequately respond to this question.**

As a result of the ADA responses from the agencies, notably the City of New Smyrna Beach, the Applicant has chosen to delete the 1,515± acres located in the City of New Smyrna Beach from the Restoration DRI, and no response will be provided to this question at this time. The Applicant understands that the City must have adequate facilities and service to serve any future development request.
